

Adrian P.H. Keller Scholarship

As part of our 75th anniversary celebration Gausman & Moore has chosen to award a scholarship to a college student annually. A scholarship will be awarded to a student through the University of Minnesota Center for Sustainable Building Research (CSBR) in preparation for a career in engineering.

ADRIAN P.H. KELLER P.E.
SCHOLARSHIP

The scholarship was established in memory of one of Gausman & Moore's legendary principals, Adrian P.H. Keller, who served at Gausman & Moore for 47 years and passed away in December 2009. Ade loved engineering and was a great proponent of higher education. We are certain Ade would be thrilled and proud to have this scholarship dedicated in his name.
